

Medical College Ex-Students Association-UK
Re-union 2024, Blackburn, Lancashire
Special 190th Anniversary of Medical College Bengal
2nd Newsletter April 2024

Dear Didis, Dadas, friends & fellow Matiyas,

It is my immense pleasure to send out the second newsletter of our MCESA-UK reunion 2024 in Blackburn. The first quarter of the English calendar has now flown by and I would like to send you all the very best wishes for the incoming Bengali New Year. As we all are aware, this year is very special for our Alma mater, which has just celebrated its 190th anniversary. As such, I am planning to make our UK reunion, a special event!

We seek your involvement and participation in whatever way possible to make this event a grand success. Please start sending any writing for our brochure. Also, it would be a great help if you can get any sponsorship for our mega event.

My focus this year is to welcome as many new Matiyas as possible to our reunion family. I have received confirmation from some overseas Matiyas too, who will be attending the event this year. I am mindful that many of you would like ample time for adda, whilst some others would like to engage in a variety of entertaining activities. I am working with a team to ensure we have ample opportunities for people of all regions to participate in programmes, quizzes, shows, as well as time to recharge your batteries whilst chatting to friends and colleagues and relaxing with the facilities and the beautiful surroundings of the hotel.

Now, I need your support to make this endeavour feasible and memorably successful. I have also attached the registration form along with this newsletter and will need your response as soon as possible. I would request you all to complete the registration form and email it to me. You can make the payment online (details are in the registration form) or send me a cheque (address enclosed in the registration form).

Please contact me with any queries at: malkaush99@yahoo.com. I am eagerly waiting to welcome you all in the beautiful landscapes of the North of England.

See you all in August

Kaushik
(Kaushik Ghosh)
Convenor, MCESA-UK Reunion 2024 (23rd to 25th August)
